

## Job Description – Experienced Carpenter

---

Job Title: Carpenter + 4 Years Experience

Employment Type: Full-Time

### Job Summary:

We seek a skilled and detail-oriented Carpenter with 4+ years of experience to join our team. The ideal candidate will have a strong understanding of carpentry techniques, the ability to interpret blueprints and technical drawings, and a passion for creating custom-built structures. You will work on various residential and commercial projects, collaborating with a team of professionals to ensure exceptional results.

### Key Responsibilities:

- Construct, install, and repair structures and fixtures using wood, metal, and other materials.
- Interpret and execute project plans, blueprints, and technical specifications.
- Measure, cut, and assemble materials accurately to meet project requirements.
- Install doors, windows, cabinetry, trim, and other interior and exterior features.
- Ensure all work meets quality standards and adheres to safety regulations.
- Collaborate with other team members, including contractors and project managers, to ensure timely project completion.
- Operate and maintain tools and equipment safely and efficiently.
- Troubleshoot and resolve construction issues as they arise.
- Interact with clients and subcontractors.

### Qualifications:

- Four or more year's experience as a carpenter or in a similar role in construction.
- Proficiency in reading blueprints, technical drawings, and measurements.
- Expertise in using hand tools, power tools, and machinery related to carpentry.
- Strong understanding of safety protocols and practices in construction.
- Excellent problem-solving skills and attention to detail.
- Ability to work independently and as part of a team.
- Physical stamina and ability to lift heavy materials as needed.
- Valid driver's license and reliable transportation.

### Preferred Skills:

- Experience in custom home building or high-end renovations.
- Familiarity with various construction materials and methods.
